## **STATE OF ORIGIN 4 - NOTICE OF RACE**

### Scoring system for the cup

I would firstly like to thank everyone for their input into the possible scoring systems. With so many great options we have decided upon the following.

1<sup>st</sup> = 8 points

2<sup>nd</sup> = 6 points

3<sup>rd</sup> = 4 points

4<sup>th</sup> = 3 points

5<sup>th</sup> = 2 points

No entrant in class = 1 point

This will apply to each race, the state with the highest combined score wins the cup.

Whether right or wrong this system will be what we using for the scoring.

Just remember this whole event is about getting together and having a bit of fun and we hope that everyone sees it that way.

2 minute dial up starts

Weight categories may be adjusted to suit entry numbers

Races may contain more than one weight category

Individual places will be based on low scoring eg 1<sup>st</sup> = 1 point 2<sup>nd</sup> = 2 points etc

State of Origin cup scoring will be based on as above

Marathon races will be counted

IBRA rules apply
